All - I have learned today of MWW interest in convening a meeting of all parties as we discussed on previous phone calls. I have given her Henry and Roy's name. She is already planning to reach out to Miguel (hopefully you can drive up here or video conference?). I have also asked that WDNR reps be included.

I will be out of the office April 8-23 (business and vacation). However, I have urge Carrie NOT to wait until my return. I will have other staff attend from the MHD.

Best,

Paul b.
